

Press Release - FOR IMMEDIATE RELEASE

Flexiteek International to Attend boot Düsseldorf

Flexiteek International is pleased to announce our attendance at boot Düsseldorf 2025.

As a leading synthetic decking company, Flexiteek International will showcase its innovative products at the renowned Boot Düsseldorf show. With decades of experience, the team will be on hand to provide insights into Wilks Fendering and the newly launched Flexiteek 3.

Boot Düsseldorf, the world's largest international water sports fair, will take place in Düsseldorf, Germany, in 2025. Spanning 16 exhibition halls, the event is set to welcome 1,500 exhibitors from 70 countries and over 230,000 visitors. Since its establishment, Boot Düsseldorf has been a premier platform for boating innovation, market trends, and interactive experiences, catering to water sports enthusiasts of all levels.

The Flexiteek team will be in Hall 11, Stand A56 from the 18th to the 26th of January, showcasing the range of colours and available to answer questions about synthetic teak decking and the range of marine fendering products.

Scott Berry, CFO of Flexiteek International, commented, "Boot Düsseldorf provides an important opportunity to present our Flexiteek and Wilks products to a global audience and connect with boat builders and industry professionals."
